Will we make it a record breaking 6 years in a row?

The annual CRN Fast 50 awards are the leading Australian IT industry awards and industry list honouring 50 of the best resellers, systems integrators and managed service providers in the country. We have been proud recipients of the award five years in a row, and are now hoping to make it a record breaking sixth!

"We have great respect for these awards" said Chris Marshall, Managing Director of us. "CRN apply stringent diligence to the nominees, so receiving the award is a genuine honour.

"Being awarded the CRN Fast 50 five years in a row highlights our commitment to growth, innovation and accountability. Winning a sixth time would validate our direction and reinforce that we are exceeding our customer's expectations".

The 2014 CRN Fast 50 Awards are being presented tonight at the Four Seasons in Sydney.
