

2015 blueAPACHE Birthday Golf Championship - blueAPACHE

Canonical: <https://www.blueapache.com/blog/2015-blueapache-golf-championship>

Details:

July 28, 2015

Our annual birthday and golf championship proved to be our biggest and best yet!

Each July, we hold our annual Golf Championship to celebrate the inception of the organisation. It is a fun and very social fare, typically hosted by the Studley Park Golf Course and The Boulevard Restaurant in Kew, Victoria.

With a spectacular sun-drenched winter morning, this year's event saw over 50 employees compete for an array of trophies, prizes and more importantly; bragging rights for the year. Aside from record attendance, we also hit a record number of shots – around 2500 at last count – and somehow managed to not hit anyone. Based on previous events and the number of new players, this was quite an achievement!

The three core competitions were the team ambrose event, our annual closest-the-pin competition (with bonus annual leave days up for grabs), and our individual stroke play competition.

Following the first two, we celebrated our birthday with a sensational three-course lunch filled with banter and a little pre-round sledging. Post lunch, the individual stroke play competition took place, allowing those more proficient golfers to battle it out for the perpetual trophy.

As always, we thank our team for making this day the success that it is. We are already looking forward to a bigger and better 2016 event!

Results for 2015:

Team Ambrose Competition

30 Mark Kista, Bill Jones, Cristian Gruber and Yung Ong

Closest the Pin

Phalla Ros

Individual Stroke Competition

33 James Hendry

News
