Details:

Our team started our 2020 events calendar off in style, enjoying the Australian Open and hosting some special guests. A staple event in the summer calendar, the Australian Open continues to get bigger and better every year – and this year was no exception! Held in the incredible Melbourne Park precinct, our team and guests were treated to several fine dining experiences over four nights including Rockpool, Nobu, Glasshouse and 56 by Glasshouse. Premium seating in Rod Laver Arena followed the dining experience, where the quality of food was only bettered by the quality of tennis. Over the four nights, we were treated to watching some of the all-time greats including Novak Djokovic, Ash Barty, Rafa Nadal, Serena Williams and Roger Federer. This is just the start for our 2020 events, with calendar filling with a number of activities we look forward to sharing with our partner community. On behalf of #teambblue, we would like to extend our sincere thanks to guests who joined us at this year's Australian Open.
