Article

MARCH 21, 2023: Leading managed services provider, blueAPACHE, today announced the appointment of Jean Roux as its new Chief Financial Officer (CFO). This appointment comes as part of the company's continued growth and expansion, following the successful launch of its Experience Division in 2022. As CFO, Jean will be responsible for overseeing blueAPACHE's financial operations, including financial planning and analysis, accounting, treasury, and tax. He will work closely with blueAPACHE Managing Director and other senior executives to develop and execute the company's strategic plans, while ensuring financial discipline and transparency.

"Jean's experience in financial due diligence and analysis, combined with his expertise in risk management and corporate strategy, makes him an ideal fit for blueAPACHE," said Chris Marshall, Founder and Managing Director of blueAPACHE. "His appointment comes at an exciting time for our

company, as we continue to expand our offerings and help organisations access technology to their business advantage.” Jean brings more than 15 years of experience to his new role at blueAPACHE, having previously worked in the audit and M&A advisory practices of several Big 4 accounting firms. He is a qualified Chartered Accountant CA(SA). “I am excited to join blueAPACHE at this pivotal moment in its growth trajectory,” said Jean. “I look forward to working with the team to drive financial excellence, support our strategic initiatives, and help blueAPACHE continue to deliver outstanding solutions and services to our clients.” About blueAPACHE blueAPACHE is a leading managed services provider that offers IT management, IT strategy, and converged IT services to clients across Australia, UK, Asia, and North America. Since 1998, blueAPACHE has been revolutionizing the way organizations access technology and communications by providing affordable solutions that offer true scalability, elasticity, and agility. The company is known for enabling organizations to grow by removing the IT capital investment required to fund expansion through its IT-as-a-Service offerings. blueAPACHE’s team of industry specialists work together to provide outstanding solutions to complex technology problems. In addition to taking ownership of clients’ IT challenges, they leverage technology to improve business performance, align strategy, and drive their business objectives. With technical expertise, experience, and infrastructure, blueAPACHE is the ideal technology partner for organizations looking for a professional IT services partner that will enable them to free up capital expenditure and focus on their core business – knowing that their IT is aligned to their needs, tailored for their objectives, and underpinned by a team of industry experts.
