Details:

26 October 2020

We celebrate our team's recognition in two categories of the ARN Women in ICT Awards.

Rahwa Salew as a Rising Star who had progressed from recruitment into project management over four years and held the role of Project Coordinator when the article was published.

Renata Di Stefano was named a Shining Star finalist. she entered ICT in 2010 as a receptionist at a managed service provider, moved into marketing within two years and had held senior marketing roles since 2012. Her role was listed as Head of Marketing.

The post described both finalists as representatives of the Women in ICT Awards' aim to celebrate female excellence in the industry.

In which two categories were you represented in the ARN Women in ICT Awards?

We were represented in the Rising Star category, with Rahwa Salew acknowledged, and the Shining Star category, with Renata Di Stefano named a finalist.

Who was recognized as a Rising Star for you in the ARN Women in ICT Awards?

Rahwa Salew was acknowledged as a Rising Star, recognized for demonstrating commitment to continued career advancement and a proven desire to reach the next level of professional development.

What is Rahwa Salew's career background within your business?

In 4 years, Rahwa Salew achieved tremendous milestones, starting in recruitment before moving into project management, where she holds the role of Project Coordinator.

Who was named a Shining Star finalist for you?

Renata Di Stefano, our Head of Marketing, was named a Shining Star finalist.

What is Renata Di Stefano's career background?

Renata Di Stefano's career in ICT began in 2010 as a receptionist for an MSP. With no corporate sector experience, she used the position to absorb knowledge, gain experience, upskill, and network. Within two years she had pivoted her career from admin into marketing, and she has held senior marketing roles since 2012.

What is the purpose of the ARN Women in ICT Awards (WIICTA)?

WIICTA is designed to celebrate female excellence within the ICT industry.

Where can the full list of ARN Women in ICT Awards finalists be viewed?

The full list of finalists can be viewed via a linked ARN article at arnnet.com.au titled 'ARN Women ICT Awards 2020 finalists'.
