Congratulations blueAPACHE on becoming a winner at ARN Innovation Awards 2021.

DECEMBER 10, 2021: ARN is proud to announce the winners of an enhanced Innovation Awards in 2021, housing the largest celebration of ecosystem excellence in delivering transformative customer solutions across Australia. Representing the entire Australian ecosystem, more than 300 finalists (including 65+ individuals) made the shortlist from a pool of over 90 organisations and more than 300 nominations, spanning partner, start-up, telco, vendor and distributor businesses. Winners were unveiled during a celebration ceremony hosted virtually and attended by more than 600 technology executives from across the region.

"ARN congratulates blueAPACHE on your recognition in the Mid-Market – Partner Innovation for the third consecutive year," said Cherry Yumul, vice president of Strategic Partnerships and Innovation at

IDG. "Australia is once again brimming with inspiring examples of innovation, raising the bar for industry excellence through the deployment of bleeding-edge technologies and solutions. Two words perfectly illustrates the DNA of the Australian technology ecosystem – tough and transformative in equal measure." In 2021, Innovation Awards honoured the channel across eight categories, spanning Partner Innovation, Tech Innovation, Australia-wide Innovation, Start-up Innovation, Personal Innovation, Vendor Innovation, Distributor Innovation and Hall of Fame. In streamlining the program, focus on the pace-setters of the local market was increased, those revving up the innovation engine and powering ahead in the delivery of transformative solutions and services. Reflective of a diverse technology network, finalists ranged from large-scale multinational consultancy firms to emerging start-ups, alongside leading system integrators, managed service providers and solution consultants, plus cloud specialists, independent software vendors, boutique agencies and application developers. This is in addition to channel-centric vendors, telecommunications providers and supply chain experts. Within this standout group, finalists, highly commended and winners were located across the entire country. Collectively, Innovation Awards in 2021 stands tall as the leading forum for setting the industry benchmark for ecosystem excellence across Australia. "Customer innovation is no longer a marketing slogan, rather a refreshing reality in Australia given the wealth of transformative projects and examples of best practice featured in 2021," Yumul added. "Enormous credit to the market-leading companies and individuals continuing to press ahead in helping customers innovate at pace – despite the notable difficulties – which once again demonstrates the depth of transformation taking place across the region. Congratulations blueAPACHE, nothing can stop your pursuit of excellence." The winners were selected by an executive panel of industry judges – acknowledging creativity, innovation and excellence.
