Article

blueAPACHE is proud to announce that **Chris Marshall, Founder & Managing Director** is featured on Moxie Top Minds – an annual list showcasing knowledge from the most influential figures redefining business and technology in Australia. This editorial initiative is invitation-only and houses industry leaders from all aspects of the ecosystem – CEOs, CIOs, CTOs, CDOs, CISOs, Founders etc. Highlighting voices of authority Australia-wide, expertise spans Sydney, Melbourne, Brisbane, Perth, Adelaide, Canberra, Hobart and Darwin. Unlike conventional awards programs, the list is not ranked and is instead focused on providing authentic and in-depth commentary on the key issues of the day. Those honoured on the list will contribute invaluable insights that are democratised and amplified to a wider audience via editorial, research and event platforms. Selection is based on editorial merit and is exclusive to:

Industry Influencers: Those setting the market agenda through innovation and leadership.

Figures of Authority: Those with the credibility to outline objective and compelling thought leadership.

Industry Experts: Those operating at the beating heart of the market with deep levels of knowledge and insight.

Inspirational Leaders: Those who act as models of success for future leaders to emulate and follow.

“Whether boldly innovating or decisively modernising, Moxie Top Minds are a source of knowledge and inspiration for an industry seeking compelling and credible thought leadership,” said James Henderson, Editorial Director at Moxie Insights. “Through this vetted list of front-runners, our editorial aim is to amplify and elevate voices of authority aligned to the top trends, priorities and challenges of today. “In simple terms, Moxie Top Minds will mirror the industry – reflecting true executive sentiment from those operating at the beating heart of the market. Through this approach, we will collectively create a new benchmark for editorial excellence in Australia.” Moxie Top Minds is home to courageous innovators, cautious modernisers and composed transformers – those leading organisations through both opportunity and uncertainty. Chris was highlighted as an executive setting the market pace through new ideas and strategies, underpinned by a strong sense of purpose, mission and vision. “I’m honoured to be named among the Moxie Top Minds alongside such a diverse group of business and technology leaders. For me, this is an opportunity to share ideas, learn from others and contribute to conversations that matter to our industry and our clients.” Chris Marshall, Founder & Managing Director, blueAPACHE Moxie Top Minds is created annually by Moxie Insights, a new-age media brand in Australia, New Zealand and Asia. Combining media brand creativity with depth of analysis, Moxie Insights amplifies voices of authority, highlights essential intelligence and connects influential minds through proprietary editorial insights, research data and executive networks. The official list will be published via Moxie Insights in September 2025, supported by the launch of community created research reports specific to the Australian market.
