Details:

December 18, 2015

As the festive season draws close, we would like to thank everyone who contributed to what has been another amazing year.

Our 2015 focused on continued investment in our infrastructure, services and processes, extending our team and building on our successes. With new expansion on the horizon, more than 25 new employees and new services about to be launched, this year has been hugely successful thanks to the continued support of our clients and partners.

We enjoyed record growth, which delivered an incredible seventh CRN Fast50 award and a second CRN All Star award, as well as worldwide recognition from Talkin'Cloud 100 and MSP Mentor. Again, we could not have achieved these without your support.

So from all of us within our business, a very sincere thank you. We wish each and every one of you a very merry Christmas and a safe, healthy and prosperous New Year.

As always, we will continue to support our clients throughout the holiday period. Additional information can be found here .
