As 2020 draws to a close, I would like to take a moment to recognise and thank you for your continued partnership through what has been an extraordinary year.

Reflecting on the year, I am humbled by the support of our clients and alliance partners and take immense pride in the achievements of our staff who have overcome all obstacles to continue to deliver the high levels of customer service we are renowned for.

Serving our clients has given us purpose, focus and inspiration to keep innovating our service and I thank you sincerely for continuing to trust in blueAPACHE as your service provider.

Irrespective of the unique year we've all experienced, we stayed on course, celebrating several new partnerships across our client and alliances network, as well as:

Executing a technology refresh and transformation across our emPOWER Cloud and emPOWER Network

Expanding our Executive Leadership Team with senior hires across our Managed and Professional Services

Celebrating two of our leading ladies being named finalists in the 2020 ARN Woman in ICT Awards
blueAPACHE taking out the coveted 2020 ARN Mid-Market Partner of the Year Award for the second year in a row

As I look to 2021, I'm excited by the opportunity to celebrate with our community as we bring new capabilities to market and welcome new customers. Whilst our ability to adapt to working from anywhere has been remarkable, I cannot wait to connect with you all in person.

On behalf of the entire team within our business, I wish you, your colleagues, and your family a safe, healthy end to the year filled with lots of positivity as we enter the new year together. We look forward to serving you in 2021!

Cheers,

Chris Marshall

Founder and Managing Director
